The Theme for this Sunday

The third covenant in this year's Lenten readings is the central one of Israel's history: the gift of the law to those God freed from slavery. The commandments begin with the statement that because God alone has freed us from the powers that oppressed us, we are to let nothing else claim first place in our lives. The Ten Commandments are essential to our baptismal call: centered first in God's liberating love, we strive to live out justice and mercy in our communities and the world.
